Liquid Hand Soap

- A mild, dye-free liquid lotion soap with moisturizers.
- Contains no parabens, phthalates, triclosan or animal by-products.
- Light melon fragrance.

Product	Dilution	Code	Size
Ready-to-Use	RTU	40314	3.78L

A mild, dye-free liquid lotion soap with moisturizers. Its thick, clear formula produces an abundant lather. It is designed for use in hotels, restaurants, restrooms and kitchens in schools, institutions, homes, and virtually any other location where bulk soap is used. Contains no parabens, phthalates, triclosan or animal by-products. Dye-free formula prevents staining on sinks and countertops.

Directions:

Fill soap dispenser with product. Wet skin with water, apply a few drops of soap. Work into a lather. Rinse in clean water and dry.

Handling and Cautions:

Avoid contact with eyes. If contact occurs, rinse thoroughly with water. Do not reuse container. Recycle where facilities exist.
