Foaming Bathroom Cleaner

Ready to USE

- Removes soap scum from washroom surfaces without the use of acids, bleaches or abrasives.
- Works well on porcelain, stainless steel, vinyl, acrylic, and laminated plastic.
- Contains no phosphates.

Product	Dilution	Code	Size
Ready-to-Use	RTU	40371	946ml

Provides excellent cleaning action for everyday home or hotel washroom cleaning. Use to remove soap and hard water films from bathtubs, shower stalls, shower doors, sinks, taps, etc. Works well on porcelain, stainless steel, vinyl, acrylic, and laminated plastic. Leaves a bright and shiny surface.

Directions:

Tighten trigger sprayer. Turn nozzle to desired position. Spray generously on soap or hard water films. Allow foam to remain in contact with surface in order to penetrate. Wipe clean with a sponge or cloth. Buffing the wiped surface with a clean towel or cloth will generate a shine. Ready-to-use, do not mix or dilute. Contains no phosphates.

Handling and Cautions:

Caution: Irritant. May irritate eyes. May irritate skin. Do not get in eyes. Do not get on skin or clothing. First aid treatment: Contains surfactants and EDTA. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If on skin, rinse well with water. Keep out of reach of children.
