Heavy-Duty Citrus Cleaner & Degreaser

CONCENTRATE

- Excellent degreaser with orange solvent for emulsifying grease.
- Ideal for most hard surfaces including appliances, grills, steel, concrete, fiberglass, aluminum and stainless steel.
- Contains no phosphates.

Product	Dilution	Code	Size
Concentrate	1:20	40365	18.9L
Concentrate	1:20	40393	3.78L

A heavy duty alkaline cleaner that puts powerful detergents and emulsifiers together with natural solvents to create extremely effective cleaning. Ideal for cleanup of heavy grease, oils, tar, etc from most hard surfaces. May be used straight to remove oil and grease deposits from concrete, brick or other similar surfaces. Great for smoke damage on painted walls.

Directions for use:

For tough soils on concrete, steel, grills, or baked on grease, use full strength through a trigger sprayer or pump sprayer. Apply to surface, allow contact time of 3-5 minutes, then scrub and wipe. Rinse thoroughly. Do not allow product to dry on surface. For medium soil, dilute 1:10 with water. For light soil, dilute up to 1:20 with water. Excellent through a pressure washer or auto scrubber. Keep away from leather, natural stone, or painted vehicles. Test in an inconspicuous area for colour fastness.

Handling and Cautions:

Caution: Irritant. May irritate eyes. May irritate skin. Do not get in eyes. Do not get on skin or clothing. First aid treatment: Contains glycol ethers, EDTA, surfactants and citrus terpenes. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If on skin, rinse well with water. Keep out of reach of children.
