High Gloss Floor Finish

- Perfect balance of durability, high shine and buffing response for high traffic floors.
- Modern polymeric blend enhances soil and water resistance.
- Recommended for high traffic areas such as a shopping malls, hospitals, schools and office buildings, as well as any location where resilient tile or terrazzo must look it's best.

Product	Dilution	Code	Size
Ready-to-Use	RTU	40320	18.9L
Ready-to-Use	RTU	40321	3.78L

Directions:

For initial application, remove old finish using a suitable floor stripper. Apply a uniform coat of High Gloss Floor Finish using a lint free hard string wax mop. Allow to dry (30-40 minutes). Apply 2-5 coats as required. For general maintenance and to maintain shine, keep dirt and grit off the floor using a suitable dry dust mop. Regular washing with a damp mop and periodic scrubbing with the appropriate neutral cleaner is recommended. For touch ups, recoat finish over clean surfaces only. Do not dilute with anything. Do not use on extremely cold surfaces or in the presence of extremely high humidity.

Note: Floors can be slippery when wet or contaminated with foreign materials. Promptly clean up spills, and use entrance matting and cautionary floor signs where necessary.

Handling and Cautions:

Caution: Irritant. May irritate eyes. May irritate skin. Do not get in eyes. Do not get on skin or clothing. First aid treatment: Contains acrylic co-polymers, wax emulsions and glycol ethers. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If on skin, rinse well with water. Keep out of reach of children.
