Product	Dilution	Code	Size
Concentrate	1:128	40353	18.9L
Concentrate	1:128	40352	3.78L

A concentrated neutral cleaner ideal for floors, walls, countertops, equipment and other hard surfaces. It's rinse-free formula leaves surfaces clean and streak free. It is an excellent housekeeping product that can be used on all water washable surfaces including floors, glass, painted surfaces, appliances, car, trucks, and vinyl. Has a mild lemon fragrance. It is also phosphate free and non-flammable. Ideal for use in home or commercial properties, including schools, universities, colleges, supermarkets, retail stores, hospitals and nursing homes.

### Directions:

For cleaning floors and painted surfaces, dilute with tap water at a dilution of 1:128. Use through an auto scrubber, or damp mop with a bucket and wringer. For use as a stronger general purpose cleaner, dilute at 1:40 with water. As a spray and wipe, dilute at 1:10 with water into a trigger sprayer. Spray and wipe as required. No rinsing necessary.

### Handling and Cautions:

Caution: Irritant. May irritate eyes. May irritate skin. Do not get in eyes. Do not get on skin or clothing. First aid treatment: Contains surfactants. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If on skin, rinse well with water. Keep out of reach of children.
