A ready-to-use spray formulated to eliminate all types of foul odours in textile fibres, including carpets, upholstered furniture, draperies and bedding. Great in homes, hotel rooms, cars, boats, or anywhere with fabric. Provides both immediate and long lasting effectiveness.

Directions:

Tighten cap. Turn nozzle to set tip to deliver a fine mist. Point sprayer away from face. With side to side action, spray object lightly. Spraying carpets and fabrics will freshen the entire room. If there are no absorbent objects in room, point sprayer towards ceiling and spray 2 or 3 puffs to freshen the room. Always test fabrics and carpets for colour fastness in an out of the way spot. Do not over wet. Allow object to dry before using. Do not use on silk, leather or any other surface harmed by water. Do not spray on pets.

Handling and Cautions:

Caution: Irritant. May irritate eyes. Do not get in eyes. First aid treatment: Contains isopropyl alcohol. If swallowed, call a Poison Control Centre or doctor immediately. Do not induce vomiting. If in eyes, rinse with water for at least 15 minutes. If on skin rinse well with water. Keep out of reach of children.
